Touch With Oils® Hand Massage

Instructor: Candace Newman MAT LMT #MA0014389
3 CE hrs for NCBTMB Provider # 451025-09 & CE Broker Florida

This Aromatherapy hand massage treatment is based on the synergistic powers of touch and smell ... a universal language of compassion. Experience how Aromatherapy works through the nose-brain connection and skin absorption. This gentle rhythmic massage serves to balance the autonomic nervous system, promote lymphatic drainage, and give the body and mind a deep and quiet rest. This can be used as a stand alone treatment or incorporated into other massage modalities. You will observe the massage while following along with your handout, and then give and receive the full hand massage. The DVD of the treatment is available.
