Grand Re-Opening Sale July 15th to August 15th

10% off on all products

*****Think about Christmas in July for purchasing aromatic gifts early!***

Thank you for your patience, support and belief in us and our “work” as we moved through the winter searching for our next step. There comes a time in all of life’s processes where in order to move forward ... one needs to stop, evaluate, make a course correction and move on.

We believe that our course forward is to go back to the company’s original name, ***Oil Lady Aromatherapy®***, and refine the product line to our most valuable formulas based on the test of time and your purchases. **Rejuvenation Face Gel** is helping so many people on so many levels. It continues to be our signature formula and main contribution to Aromatherapy.

We have formed ***Oil Lady Aromatherapy® LLC*** as our new company. The revised product line and price list are now on the website. John will head up the sales part of the company which allows me to move forward with teaching, writing my Aromatherapy Guides, and doing consultations by phone or in person for personalized Aromatherapy.

Some of our **exciting improvements** are:

1. Our OLA Seven Massage Blends have been reformulated to the new **OLA Four Massage Blends**:
 - a. **Soother** – a combination of OLA One & Two
 - b. **Balancer** - OLA Three with a touch of Roman Chamomile
 - c. **Stimulator** – a combination of OLA Five & Six
 - d. **Comforter** – OLA Four with a dab of Frankincense
2. **Rejuvenation Face Gel** – the formula is the same, just enriched with Vitamins A, C & E which I have wanted to do for years. This adds wonderfully proven antioxidants for our skin. We’ve also added A, C & E to **Skin Calm Gel**.
3. **Clear Skin Gel** is now called **“Tea Tree Plus Gel”** with a touch more Geranium for its exceptional skin healing properties. Also enriched with Vitamins A, C & E.
4. Our **Ear/Nose/Throat Oil** is better than ever. We added the highly anti-viral essential oil **Ravintsara from Madagascar**. I have been using this improved formula for a year ... excellent for respiratory, sinus, and chest rubs.

5. **Scar/Bruise Oil** is one of our best formulas for new & old scars and delicate skin conditions. We've added Vit E and a touch of Myrrh, a great wound/skin healer.

*** **Please view the price list and product line on the website: www.Oil-Lady.com**

PRICES: With the rising costs of essential oils in the world as well as other ingredients, we have done our best to keep the prices as reasonable as we can. Most of our prices have not gone up in over 7 years. We **lowered the price of The Good Medicine Tin® by \$11.00** ... from \$59.95 to \$49.00. We hope this helps you purchase the self care kit for yourself and for another as a perfect gift of health. It started 16 years ago with a class around my kitchen table. Taking the complex topic of over 400 essential oils and reducing it down to the Top 5 Essential Oils for self care ... has proven to be the best way to help many people.

Purchase Plans:

1. **Retail** - is for everyone
2. **Professional Plan** – is a discount for Active Professional Health Practitioners using our products in their services for clients.
3. **Wholesale Plan** – for those companies/spas that are retailing our products. A copy of their Sales Tax Certificate is required for our files.

Oil Lady Aromatherapy® LLC is a new company, so we need to enter you into the system again **only if** you qualify for the Professional or Wholesale Plan. You can do this by phone or email.
